The Serve Guam Commission (SGC) will be accepting applications for the program year 2011-2012 to begin June 1, 2012 – May 31, 2013. The SGC oversees over 202 AmeriCorps members representing 6 programs for the current year. AmeriCorps members contribute to the many fine volunteer efforts of organizations and community groups helping Guam become a better place to live.

The Governor's Serve Guam! Commission for National & Community Service, promotes and supports volunteerism and administers approximately \$11m dollars in AmeriCorps funding over the past seven years. The opportunity to serve as AmeriCorps members contribute to the volunteer capital by uniting individuals in service to their communities and achieving demonstrable results by funding innovative and impact programs. Such programs provide assistance in the areas that address compelling, unmet needs in all of the following seven national service priority areas: Disaster Services, Education, Economic Opportunity, Environmental Stewardship, Healthy Futures, Veterans, Military Families and Volunteer Generation. Additionally, the Commission also supports strong collaborative partnerships with Non-profit, faith-based organizations, government and federal agencies and pro bono's.

Through this RFP, Guam institution of higher learning, public private high schools, non government agencies and faith based organizations can compete for funding to expand or create high-impact service strategy opportunities. The Serve Guam! Commission will consider application for a Disability AmeriCorps program contractor.
